BERNARDUS - 2022 *Arroyo Seco Pinot Noir*

Bernardus has selected two of their favorite vineyards to produce their Arroyo Seco Pinot Noir. They divide these grapes into several fermentation tanks and ferment them at cooler temperatures which helps protect their inherent fruity flavors. They then age the wines in older, neutral French oak barrels in order to show the true expression of these two wonderful vineyards.

Bernardus' 2022 Arroyo Seco Pinot Noir exhibits a deep, garnet-red color. The gorgeous aromas exude spicy ripe berry scents. The palate is soft and full-bodied, with seductive dark berry flavors accented by subtle baking spice notes. The delicious finish is long and velvety.

CRAFTWORK - 2023 *Chardonnay*

Honoring the best of traditional winemaking, the wines from Craftwork estate vineyards are handcrafted to showcase the natural expression of the vineyard, variety and vintage. Craftwork's cool climate estate vineyards, located just outside of Greenfield, are blessed with a climate that is perfect for growing top-quality Chardonnay. With morning fogs that often linger until mid-day, the complex fruit flavors have time to develop while preserving crucial acidity. The grapes, for this wine, are whole cluster pressed, chilled and raked clean to a refrigerated stainless steel tank. The juice is slowly fermented at a cool temperature to enhance the varietal aromatics.

Aromas of red apples and pear are followed by a lively blend of tropical fruit and citrus flavors. Striking the perfect balance of a rich, creamy palate with firm acidity, it is a versatile wine that pairs particularly well with grilled seafood, roast chicken, pasta in cream sauce, and shrimp scampi.

MORGAN - 2020 *Cotes du Crow's* (Club Red)

Cotes du Crow's is a unique blend of the two noble, predominant red varietals of France's southern Rhône Valley: grenache and syrah. Small amounts of mourvèdre and tempranillo are included, whose earthy, meaty spice and dark fruit are beautiful complements to the grenache and syrah.

Fermented in open top tanks with manual punch-downs, enabling good extraction and structure development with pleasant tannins. After fermentation, the wine was transferred to French oak barrels, giving subtle spice and vanilla characters without overpowering the elegant fruit profile.

This Rhône-style blend has a rich ruby color, highlighted by purple edges. Notes of boysenberry, bramble, and tobacco jump out of the glass. The wine is full bodied with rich tannins, offering flavors of black fruits, damp earth, and chocolate covered cherry. Its weight and balance make it a perfect pairing for anything off the grill.

58% Grenache, 35% Syrah, 4% Mourvèdre, 3% Tempranillo

BERNARDUS - 2023 *Griva Sauvignon Blanc* (Club Blanc)

All Bernardus' Sauvignon Blanc grapes come from a block specially planted for Bernardus in the Griva Vineyard with the celebrated "Musqué" clone. All the Sauvignon Blanc and Semillon grapes are hand-picked during many successive pickings at various ripeness levels in order to have a broad palette of flavors and acidity levels from which to create our final blend.

The 2023 vintage in Monterey County produced higher than usual yields in the vineyards. A relatively cool summer and later picking dates made for slower ripening grapes that preserve very fruit forward characteristics.

This Sauvignon Blanc has aromas of tropical fruit accented by grapefruit and white peach. The palate exhibits hints of minerality with rich, lush tropical fruit flavors. With notes of guava, citrus peel, and stone fruit, this intense Sauvignon Blanc finishes with refreshing acidity.

99% Sauvignon Blanc & 1% Semillon
