### Monthly Wine Selections

**CRAFTWORK - 2019 ZINFANDEL**

The Zinfandel grapes are sourced from their estate San Lucas and Hames Valley vineyards. Hames is located at the southern edge of Monterey County and has a climate characterized by a high day-to-night temperature differential. The majority of this blend came from San Lucas, about 20 miles north of Hames Valley, and is characterized by its beautiful rolling topography, sunshine-filled days, and cool nights.

Aromas of plum and black currant mingle with ripe, juicy flavors of black cherry and strawberry jam. Well-integrated tannins unfold into a rich layered finish. The firm tannins make it a terrific pairing with tri-tip steak, sausage, and juicy burgers.

**WRATH - 2018 UNOAKED CHARDONNAY**

With a name meaning “out of” in Latin, EX speaks to Wrath’s focus on expressing the personality and characteristics of their certified Sustainable (SIP) estate vineyard. The 2018 EX Chardonnay comes from the original 35-year-old, own-rooted Clone 4 planted on their estate vineyard. It is fermented (primary only) and aged for 3 months in stainless steel.

The 2018 vintage in Monterey was a return to their classic, cool and long growing season for the first time in years, allowing them to let fruit develop on the vine until after Labor Day. Yields were strong without being too heavy. All in all, close to perfect. For the goal of this wine is to showcase the pure personality of their chardonnay with no oak and minimal winemaking.

The resulting unoaked wine is bright and direct, yet deceptively rich. The nose has a subtle tropical note and flavors offer guava, banana and green apple. There is a noticeable but balanced acidity with a full mouthfeel.

**ODD LOT - 2019 PETITE SIRAH-PETIT VERDOT (Club Red)**

In winery parlance, “odd lots” are the wines that haven’t yet found a home. They also give tem a chance to break out of the staid and stuffy rules and traditions that have held sway over the wine world for slightly less than a million years.

In winery parlance, “odd lots” are the wines that haven’t yet found a home. They also give tem a chance to break out of the staid and stuffy rules and traditions that have held sway over the wine world for slightly less than a million years.

The 2019 Petite Sirah-Petit Verdot (from Charles McIver in the mid-1880s) has been retired from the vineyard program. The 2018 Petite Sirah-Petit Verdot is surprising, playful and approachable, akin to Mutt & Jeff—mismatched odd lots joined together to create something that totally works. WIne, like politics, sometimes makes odd bedfellows. Be Odd, they say.

Decadent aromas of blackberry, ripe plum, juicy fig, sweet vanilla and smoky oak. The palate is full-bodied, with soft tannins and a lingering finish of black fruit. **CRAFTWORK - 2020 PINOT GRIGIO (Club Blanc)**

To grow a high quality, flavorful Pinot Grigio, a cool climate area is a necessity to allow for slow ripening and maintain the grape’s fruit character and natural acidity. Craftwork grows Pinot Grigio on their cool climate estate vineyard located just outside of the town of Greenfield. With morning fog and rain, that often linger until mid-day, the intricate fruit flavors have time to develop while preserving crucial acidity. The tight location and traditional winemaking technique which allows us to craft a bright, lively style that is brimming with fruit.

Aromas of stone fruit and citrus are followed by a lively blend of pear and tropical fruit. The palate displays crisp acidity with a fruit-forward finish, making this a versatile wine that pairs particularly well with light fish dishes, grilled chicken, prosciutto and melon, or on its own.

◊ Great ◊ Good ◊ So-So

As we prepare to send 2021 into times long past, we can’t help but reflect upon the highlights (and lowlights) of the year.

Let’s face it: with the pandemic still prohibiting any indoor activities, 2021 did not start out well. We continued to offer wine bottles to-go and curbside pick up for our members, longing for the opportunity to open up our Wine Tasting and Bistro doors to welcome our members. The few Zoom tastings we had were fun, but no match for the real thing.

Then, it finally happened! Exactly one year to the date from when we were shut down, A Taste of Monterey reopened on March 18, 2021, with a few modifications. To say we were ecstatic would be an understatement. We were fortunate enough to have most of our beloved staff return to work, so we were up and running, welcoming members and guests with smiling eyes (we still had to wear masks). Ever since then, things have only gotten better.

Due to pent up demand for travel and dining, Summer 2021 marked one of our busiest seasons ever, the Wine Club is still going strong and we’ve grown our staff a little too. Our family here at ATM knows one thing for sure: we could not have survived without you, our loyal members.

We are forever grateful for your support, membership and especially your flexibility these past 21 months of ups, downs and uncertainties. We look forward to seeing all of you at some point in the new year.

Thank you to all of our Wine Club Members! We wish you a Merry Christmas, the happiest Holiday Season and a bright and flourishing 2022!!!
